

## **Frequently-Asked-Questions for Student Exchange Programme**

### **Can I participate in the Student Exchange Programme?**

The Student Exchange Programme is open to all undergraduates who have completed their first year of study at Taylor's University. This programme allows you to spend 1 semester abroad at one of Taylor's University partner universities for student exchange.

### **Am I eligible for the Student Exchange Programme?**

To be eligible for the Student Exchange Programme, you will need to have a minimum of CGPA 2.5 and possessed good command of the English Language (IELTS 6.5 / IELTS 6.0)

### **How is my CGPA being calculated during my exchange semester?**

Your CGPA will not be taken into consideration during the exchange semester and will be prorated based on your study years at Taylor's University.

### **Will I be receiving a transcript for my exchange semester?**

All exchange students will receive a partial transcript upon returning from your Student Exchange Programme and the grading is based on the system adopted by the host university.

### **Where can I find the partner universities for Taylor's University Student Exchange Programme?**

You can find the listing of Taylor's University partner universities for Student Exchange on our website. Please look for Taylor's University Outbound Student Exchange page at [www.taylors.edu.my/exchange](http://www.taylors.edu.my/exchange)

### **Do I have to pay any tuition fees for the exchange semester and what are the other costs incurred?**

You will need to pay Taylor's University's semester fees before you depart for your exchange semester. You do not need to pay any tuition fees to the Host University. All other expenses including accommodation and cost of living are borne by the students.

### **Are Medical, Health and Travel Insurance compulsory for my exchange semester?**

All exchange students are required to purchase and have a valid Medical, Health and Travel Insurance. Detailed information and requirements will be given to you at the pre-exchange / departure session. Please note that some partner universities from certain countries require you to purchase medical and health insurance directly from them. Prices differ at each university but you will be informed of this after you apply. Students will be responsible for any costs linked with these compulsory insurance necessities at the host university.

### **Am I allowed to change to another exchange university after the approval is given by the faculty?**

You are not encouraged to change the selected university to another one as by the time the selection is done, the host university would have closed their nomination and application deadline.

### **When do I purchase my flight tickets?**

You can purchase your flight tickets once you have receive official acceptance from your host university and have your study plan approved by Taylor's University. These two aspects as well as attending the pre-departure briefing and obtaining the relevant student's visa will determine your final acceptance to the Taylor's University Student Exchange Programme. You should only purchase your flight tickets once the visa is approved as there is occurrence where student's application for visa has been denied.
